

Party on! Condo Association Holds Outdoor Celebration

Those who have chosen to call The Residences at The Ritz-Carlton Westchester II home often cite the strong sense of community as a key selling point. Newcomers are welcomed with open arms, and neighbors become close friends in no time.

That camaraderie was on display during a recent condominium association party, held at a public park adjacent to Tower II. Approximately 200 residents gathered for food, drink, live music and good cheer on a gorgeous evening in downtown White Plains. Inside, residents have even more to savor. The Residences at The Ritz-Carlton Westchester II offers luxury at its finest, with amenities that cater to any taste.

Work up a good sweat in the well-equipped fitness room. Cool down with a relaxing swim in the glass-enclosed pool. Treat yourself to a manicure and pedicure at the full-service spa and salon. Take in a movie in the private media screening room. Or meet up with friends and neighbors on one of the two outdoor terraces or in the spacious resident lounge.

Add in concierge service; terrific dining and full catering services through The Ritz-Carlton Westchester; in-room dining and housekeeping services; and jitney service to the White Plains Metro-North station, and you can understand why residents feel as though they have the world at their fingertips.
